Personal Essay: Must be typed!

Integrity, cooperation, ethics, and compassion for others are often used to define the character of a National Honor Society member. Because of these qualities, NHS members are often highly involved in other school activities such as theater and sports. In a well-organized essay, please explain how you will be able to juggle life outside of NHS with the commitments of the organization. If there is a category above that may be blank, explain why or how you plan to change that in the future. Also within the essay, describe how you can contribute to the future success of NHS. (Should be about 250 words, or one page double spaced)
