

OHS FAFSA WORKSHOP

Interested in receiving federal financial aid for College? Complete your FAFSA! (Free Application for Federal Student Aid)

The OHS Post Grad Team is proud to host an additional session for Financial Aid help! There will be a financial aid representative from Community College of Aurora to help students and their families get set up with their FSA ID, FAFSA, and more!

Why complete the FAFSA?

It is quick and free, giving you access to the largest source of financial aid to pay for college or career school. Many states and colleges use your FAFSA to determine your eligibility for state and school aid. We will have Financial Aid Advisors to help you and your family complete your FAFSA to ensure your opportunities help pay for college.

Questions? Stop by Post Grad or contact your counselor.
