

# Advanced Placement

Advanced Placement, or AP, classes offer students a rigorous education and an opportunity to earn college credit. Students in AP classes can register to take AP exams at the end of the year and can earn college credits, based on their scores.

## The following AP classes are offered at Overland:

Art History	English Language & Composition	Psychology
Biology	English Literature & Composition	Spanish Language
Calculus AB	Environmental Science	Spanish Literature
Calculus BC	French Language	Statistics
Chemistry	Government & Politics	Studio Art 2D
Comparative Government	Human Geography	Studio Art 3D
Computer Science	Physics B	US History
Economics	Physics C	World History
