

College Visits

A campus visit is your opportunity to get a firsthand view of a college. A college catalog, brochure or website can only show you so much. To really get a feel for the college, you need to walk around the quad, sit in on a class, and visit the dorms. A visit also gives you the chance to talk to students, faculty, and financial aid and admission officers.

You might consider visiting a school campus during a school vacation. Post Grad and Counseling offer many opportunities for college visits as field trips during the school year.

Watch for messages on the white board outside the Counseling Office for upcoming trips.
