

# School Counselors

Your counselor will stay with you all 4 years of high school and can assist you with academic questions, such as registering for classes, applying to college, and career opportunities. He/she is also available if you just need someone to talk to.

Stop by the Counseling Suite (Suite A)—located on the first floor near the south doors—to make an appointment. Your counselor will send a pass for you if your appointment is during a class.

Overland also has mental health counselors—a social worker and school psychologist.

If time is of the essence, you can always contact the Safe2Tell hotline.
