

Credit Check

SENIORS

Your counselor will meet with you to make sure that you have the 22 credits you need for graduation.

Each semester that you pass (with a D or higher) is one-half of a credit. When you fail a class, you earn zero credits.

As an underclassman, you have time to make up courses in summer school or retake them during the next school year. As a senior, your options are more limited. Talk to your counselor right away if you are failing a class you need to graduate.

Take a look at the Graduation Requirements at the right, and stay on top of your grades.

Questions?

Make an appointment with your counselor.

| Overland High School GRADUATION REQUIREMENTS | | | |
|--|---|---|---|
