

# Makeup Work

If your grades are lower than you'd like them to be, you may have some missing assignments to complete or tests that you need to take.

1. Log in to PowerSchool.
2. Click the grade for your one of your courses.
3. Look for missing assignments or grades that are marked as "0."
4. For more information or worksheets to download, look on Schoology.
5. Check with your teacher to find out if you are still allowed to submit the assignments.
6. If you need to make up a quiz or test, make an appointment with your teacher to do this as soon as possible.
