

Naviance

Naviance provides tools to help you with four-year planning, graduation requirements, résumé building, and college admission. You will use Naviance throughout high school and will add more information to it each year. Your counselors will upload important documents for you, so be sure to log in regularly.

You will need your **Naviance login information** that you created the first time you created an account. This might be different than first part of your email address and your student ID number.

1. Log in to [Naviance](#) with your username and password.
2. If you need to create an account, click “I need to register.”
3. Notice the tabs across the top: courses, colleges, careers, about me, and my planner.
4. Use the COURSES tab to update your four-year plan.
5. Use the ABOUT ME tab to update information about yourself.

Welcome to Family Connection
Nice to see you again! Please log in.
