

Schoology

Schoology is the place where your teachers will upload digital handouts, class notes, instructional videos, calendars, and/or quizzes. If you miss a day of class, you can usually find the assignments in Schoology.

You will need your **Active Directory login credentials** that you were given at check-in. This is the first part of your email address and your student ID number.

1. Log in to my.cherrycreekschools.org.

2. Select **myProductivity** at the bottom

3. Look for the tile called **Schoology**.

4. Look for the COURSES menu across the top. Click on it. You will see all the courses you are taking.

5. Click on any of your courses to view the material.
