

# Yearbook

The Overland Yearbook is an award-winning publication. Students on the Yearbook Staff work hard all year to photograph and document all the activities at Overland.

If you are interested in photography, digital image editing, or graphic design, Yearbook may be for you.

Look for applications in the spring, or stop by the Yearbook Office for more information.

## Questions?

Contact the Yearbook Office 720.747.3843.

If you are at school, go to Room 2014D on the second floor.
