

The OHS Counselors would like to invite you
to an informational night to share

New Graduation Requirements

Starting with the class of 2021, students must meet or exceed new graduation requirements to receive a diploma from the Cherry Creek School District. All students must demonstrate college and career preparedness for success in both English and Math.

Join the current freshmen and Sophomore Counselors for a brief presentation on what you and your students need to know to walk across that stage in May!

Wednesday November 14th, 2018

Overland High School Auditorium

6:00 pm
